about us

Skyduo Flight Academy is a flight school certified by EASA in Europe, (DTO-084) and by the FAA in the US (5KOS302L)

Skyduo was founded in 2017 in Miami and we have recently started our activity in Spain.

We are probably the only flight School providing a blended training in Spain and in Miami.

We have developed a program that includes the complete training you need to obtain all the EASA licenses+ FAA PPI+IR

* Prices are based on the minimum hour requirements to complete the required training. It is not guaranteed you will complete your training in the number of hours or time frame stated. In some cases, additional training may be required for you to complete. Should you exceed any flight/ground hours or require additional accommodations, you will be responsible for the additional cost.

Fuel surcharges are subject to change, depending on current costs of fuel. Should there be a significant increase in fuel costs, additional cost may apply and be your responsibility.
